Depiction of baked products. Baking times and temperatures are dependent on operating conditions. Specified temperatures refer to convection ovens. All shelf life details apply after baking at a room temperature of 22 °C.

Vegan: suitable for a vegan /vegetarian diet based on the ingredients list. Not taken into account are possible cross-contaminations during the production process. For detailed dietary information, please refer to the currently valid specification.

## BAKING GUIDE

The baking guide also refers to the preparation of Fruit Flapjack and Triple Chocolate Shortbread.

**1 PREPARE**  
Let's go: Take the frozen dough pieces from the box as needed

**2 DEFROST**  
Place on a baking sheet or baking mat-lined tray and allow to thaw for approx. 20 min.

**3 BAKE**  
For perfect cookies, bake at 160–170 °C in a pre-heated oven.

**4 OVEN-FRESH DELIGHT**  
Leave the cookies to cool on the tray for about 60 minutes until the chocolate has become solid in the entire cookie.

BAKED  
FRESH FROM  
THE OVEN

Please adhere to the respective baking times stated. When baking the products without thawing, the baking temperature should be lowered by approx. 10–20 °C at the beginning of the baking program and the total baking time should be extended by approx. 2 minutes.

## DID YOU KNOW? MAKE IT MINI!

Be it American cookies, Kraftkorns® with Philadelphia or Franzbrötchen: the miniature format inspires by maximising sales opportunities.

American Cookies

Kraftkorn® with Philadelphia

Franzbrötchen

Depiction of baked products. Baking times and temperatures are approximate and dependent on operating conditions. Specified temperatures refer to convection ovens. All shelf life details apply after baking at a room temperature of 22 °C.

Vegan: suitable for a vegan / vegetarian diet based on the ingredients list. Not taken into account are possible cross-contaminations during the production process. For detailed dietary information, please refer to the currently valid specification.

Milka® and Philadelphia® are trademarks of the Mondelez International group used under license.

# SALES CONCEPTS

Modern & successful track-record

## SALES DISPLAY IN THE CHECKOUT AREA

- Full American bakery delight in a small space
- Impactful, engaging and sales-oriented impression in a few simple steps
- Flexible arrangement for your coffee business

## PRODUCT PRESENTATION SALES COUNTER AREA

- Compact and striking presentation
- Sales-oriented overall impression in a few simple steps

### Brooklyn coffee bar display

Premium acrylic display incl. price tags for Baker & Baker SP products.

### Snack point display

Acrylic display incl. snack tray, muffin holder, wobblers & price tag holder with flexible price tags.

### Muffin pan with a tray sheet

A real eye-catcher for your muffins (for up to 12 pieces). Also available for Milka muffins.

### Cookie jar with lid

A neat space for your to-go cookies – an impulse-driving gadget at eye level for your sales counter.

### Loaf cake dehydration protection

This is how they stay moist for a long time: for prolonged freshness of your loaf cakes.

## TAKE AWAY MATERIALS

- Supports emotional impulse purchases
- Increases sales quantities per purchase
- Pushes your American bakery assortment all year round

## POS ADVERTISING MATERIAL

- From table displays to posters
- Striking promotion of your products
- Effective promotion concepts tailored to your American bakery assortment

### Take-away boxes & bags

With a transparent window and an attractive design – suitable for donuts, muffins & cookies.

### SP-Products

Perfect for the grab & go business.

### Countertop & table displays

Supports your business via promotion of special offers.

### Posters

Striking placement for your promotion.

### Cake toppers & price tags

Make it easier for your customers to decide what to buy.

# 10 PRODUCT OVERVIEW

You can obtain our products via the delivery service of your local specialist wholesaler.  
Just ask your trade partner!

As per January 2022. Changes may apply.
